

### Parent/Student MONTHLY **NEWS NOTES**

**Cathy Sperrazzo Director of Marketing** and Communications

Happy May! This month we are focusing on the word "achieve." Many of our students are finishing out their school year and getting ready to shift to the next grade level, or in the case of our 80 members of the Class of 2024...graduate! Congratulations to the Class of 2024 and our new National Honor Society (NHS) members who we will be inducting virtually and in-person this month. Thanks to the support of our PECs and CIs. CMASAS students are encouraged to reach for the stars and achieve their goals. Please take a few moments during "Teacher Appreciation Week" which begins next week, May 6-10, to thank them. Also, let's not forget to nonor

April was a busy month as more than 20 members of our community traveled to Costa Rica for a fun-filled and educational international journey. We also held two open houses, a college admissions webinar, and our first International Regional Gathering to see the cherry blossoms bloom in Japan. I invite you to follow our social media pages to get a peek into all these community events, and to check out some of our recent blogs and student successes such as Jace's (11 grade) who was

recently featured in <u>Voyage Phoenix Magazine</u> for starting a coffee roasting business. (see story in Student Spotlight)

We are always looking to promote and recognize our student achievements. If you would like to share yours, please send a blurb with some photos and we will feature you on our social media pages and this newsletter! You can send them to <a href="marketingteam@cmasas.org">marketingteam@cmasas.org</a>.

Good luck as you enter the final stretch of the 2023/2024 school year. End strong!

## Counseling Updates

Heidi Fox

#### MESSAGE FROM THE DIRECTOR OF COUNSELING

Students & Families: Spring is a busy time for academics! There are many things happening and it's easy to get "lost" in the big, exciting, or overwhelming celebrations and expectations that occur this time of year (SATs/ACTs, AP exams, graduation, finals, end- of-year-parties). Don't get caught up in the overwhelming aspects of everything. Take a deep breath, slow down, and enjoy the moment! Just remember to plan ahead, use good time management, ask for help with needed, and be prepared.

#### HERE ARE SOME REMINDERS:

**Elementary School Students:** Your year may be winding down and you are thinking about transitioning to the next grade level. Discuss how this year has gone with your PEC. Maybe plan to take iReady again to see how your progress in skills/academics

has developed. Have a meeting with parents/family, student, and your PEC about what next year looks like.

**Middle School Students:** How has your year gone? Did you finish/complete all core courses satisfactorily? Are you making the progress you need to move to the next grade level? Are you meeting expectations of yourself, your family/parents, your PEC? What did you do well this year? What can you do better for the next school year? How can you be preparing for high school curriculum, rigor, coursework, and expectations? Set up an "end-of-year" meeting to go over these things with your family and PEC.

Freshman & Sophomores: Are you thinking about what you want to do after you graduate from high school? If not, now is the time to start considering this. Are you taking courses that allow you to meet these goals? (For example: if you wish to go to college, are you taking the correct courses?) Are you keeping your grades up so you don't limit your options after graduating high school. Are you ON PACE to graduate in 4 years—or will it take you longer? (Which is fine, but make sure you are discussing these things w/ your family/parents and PEC.)

**Juniors:** Are you getting ready for your senior year? If you plan to go to college, are you narrowing your college choices? Have you signed up to take the ACT or SAT yet? Are you ON PACE to be a senior in standing at the end of this school year? I encourage you to set up a meeting with me, the school counselor, to go over these things. And, if you didn't make it to the College Application Webinar, you can view it here.

Seniors: Are you making sure you are on track to graduate on time? Remember, your "on time" may not be the same as another student's "on time." If you plan to go to college in the fall, do you know the date you must have your final transcripts submitted to that school? Have you decided what college to attend and paid your deposit? If not going to college, do you have plans for next year? Now is the time to have a real "sit down" meeting with your parents/family to discuss these final options. And, lastly, are you letting senioritis get in the way of making progress in your courses? Please remember, the last day for Seniors to finish courses if they wish to have finalized transcripts and be graduated before Summer Break is June 20, 2023!

I am here to help with any/all of these topics. If you need to, please send me an email to set up a meeting. Here's hoping the last few months of the 2023-24 school year are going well for all of you!

Happy Spring!

### **International Trip to Costa Rica**

We had 16 students, families and staff members attending our Costa Rica trip April 16-22.

We ziplined above waterfalls, walked through the Trimbina Rainforest Reserve at night seeing many native animals, visited a school where we were taught traditional dances by students, white water rafted the Sarapiqui River, hiked Arenal Volcano National Park, visited Vida Campesina, a local organic farm where we learned about sustainability and hydroelectricity in the region and so much more! Friendships were formed and fun was had by all. Be on the lookout for info about our 2025 international trip this summer. Check out this highlight reel on Instagram!

### Regional Gathering

We had our first international regional gathering of the school year! Families came together for a cherry blossom viewing in Karuizawa, Japan on Saturday, April 13, 2024. A list of regional gatherings for the 2024-25 school year will be shared late next month. We got some fun ones planned across the country.

### What's New?

# Tell A Friend About CMASAS - Get A Tuition Discount!

Help us get the word out about our school! Take advantage of our New Discounts beginning April 1, 2024. We have changed the incentive for our Refer-A-Friend Program!

Current families, when you **refer a friend**, you can be eligible for a a family and friends discount of **up to 15% per year**. For each student (up to three) who you refer that enrolls at CMASAS, you will receive **5% off** your student's next year's tuition (up to 15% off for one student tuition)!

The family you refer will also be eligible for a family and friends discount of 10% off their student's tuition (after they have been enrolled for 90 days).

Alumni, graduating families or CMASAS staff who **refer a friend** will receive **a \$200 Amazon gift card** once the student completes their first 90 days.
