

2017-2018 International Trips

Our international trips may offer students **the choice to receive elective credit**. Check with the school trip coordinator for additional information.

We are proud to partner with G Adventures to offer extraordinary personalized experiences. All of the G adventures events are **private tours** for CMASAS students/staff only and are personalized to match the interests/needs of group attending. If you are interested in joining us for an experience of a lifetime, please make sure to fill out the survey included with each description.
