

CMASAS Clubs

(Elementary & Middle School)

Animal Exploration Club

Grades: K-8th

Advisor: April Sandoval

Did you know that sea otters hold hands when they sleep to keep from drifting apart and that butterflies taste with their feet? If you love animals and would like to learn more about them then this club is for you! Come learn all about pets and animals in the Animal Exploration Club. Some of the topics we will cover are what animal do you most relate to and why, what is your "dream pet", unusual pets, bring an animal to share and jobs associated with animals to name just a few.

We will meet the first and third Thursday of the month from 9:30-10:00am PST. Meetings start Thursday, September 20th. This club is for elementary and middle school students.

Book Club

Grades: 5th-8th

Advisor: Brittanie Bates

Hello, fellow bookworms! Do you crave the bind adventure found within the pages of A Wrinkle in Time? How about the excitement of traveling to unknown worlds like Sophie in Keeper of the Lost Cities? Maybe an adventure back in time to WWII in Unbroken. Whatever you like to read we will read it in Book Club. Students help create our list and set the pace. We welcome talking about books and traveling through the pages together.

MineCraft Club

Grade: 2nd-8th

Advisor: Brittanie Bates

Come build a world with us and explore the realm of Minecraft. This club is a 2nd- 8th grade club hosted in a private realm that only the members of the club can access. This is a social and fun club where we will socialize while playing.

Meeting start on 9/26 at 10 am. We will meet the first and last Wednesday of every month.

CMASAS Student Council

Grades: K-12

Advisor: Malorie Kahl

Student Council at CMASAS is a place to grow leadership skills by bringing students and staff together. Together we will plan spirit weeks, school mascot competitions, interactive events, plan service projects, and more! CMASAS would love to have your creativity and participation in this club. Student Council is student driven and will be designed based on the councils input and passions.

STEM Club

Grades: K-12

Advisor: Evette Nowicki, Sankalpa Bajpai

STEM (Science, Technology, Engineering, and Math) Club is an interactive discussion group initiated by student interest. We currently have 22 members, and vibrant discussion time twice per month, on the 1st and 3rd Tuesdays @ 2pm ET. We have students from all over the globe joining us from all continental US time zones, as well as Paris, France, London, England and Singapore! Our extremely engaged students have explored and discussed Space X Mars Colonization, Mining Asteroids, The Eclipse, String Theory, Fibonacci's sequence, The History of Physics, Large Hadron Collider, the Mariana Trench, Multiverse Theory, Photosynth, Cancer Therapies, Cryo-Electron Microscopy, Endangered Species, Solar Roads, Drone Technology, Newton's Law of Gravity, Biologist's use of quadratic and linear functions, Mathematical Degeneration, Careers in Virtual Reality, Sound Waves, Optical Illusions, 3D printing of Organs, and Spurious Roots to name a few. We have had live presentations with Q&A time too. It has been great fun. Some upcoming topics will be Space Ethics, Astronomy, Environmental Science, Brain Science, Fusion Technology, Light in Space, Engineering, and Biohacking. In addition to our twice monthly meetings, we also have an ongoing Skype STEM chat where lively and spirited discussion takes place, as well as a place to post awesome articles/videos. We would love to have anyone interested join in. All ages welcome.

Visual Arts Club

Grades: 3rd-8th

Advisor: Carrie Kunkel

Passionate about **ART**?? Come explore the elements of art and principles of design through fun activities, discussion, and creative projects. Students will have a chance to share their artwork and explore new mediums. Students 3rd-8th grade are encouraged to join!

Meets every 2nd and 4th Thursday of the month at 2PM central time in

AdobeConnect: <https://cmasas.adobeconnect.com/ckunkel> First meeting will be 9/13!

Yearbook Club

Grade: K-12

Advisor: Brittanie Bates & Mary Johnson

Meeting: 2nd Monday of the month at 9AM PST

We are working on creating our first-ever CMASAS yearbook! If you are interested in helping out this year, join us! We will be meeting more frequently as June approaches.
