Anime/Manga Club

Grade: 6-12

Advisor: Catherine Crocker

Meeting: 2nd and 4th Thursdays at 11AM Pacific

Whether you like just anime, just manga, or both, this is a super club for you. If you don't know about either one, come join us and explore the worlds of anime and manga! The plan this year is to alternate between both anime and manga each week, so everyone's favorite is covered and who knows, there may even be some crossover! This club is designed to spark discussion and will include various activities, too. Sharing of favorites as well as creating your own original storyline or drawing is also encouraged. The members have their own Skype group that seems to stay lively throughout the year - between meeting times and even during breaks. Club starts on 9/13/2018, but you can easily join in at any time as "newcomers" are always welcome!
