

Let Me Fly

By Kennedy Kaczmarek

(Chorus)

When you see me,
Let me go like a butterfly
Let me fly to the sky
Away up high

(Verse 1)

I can't stand it
I can't stand it
Can you try
To see me

It's in my head
Can't get it out
What should I do?
Look at me

(Pre-Chorus)

Let me fly
We've always been good friends
So let me fly
To the sky, where the butterflies live
I know it's hard to change
When you just want to stay the same

(Chorus)

When you see me
Let me go like a butterfly
Let me fly to the sky
Away up high
When you see me
Let me go like a butterfly
Let me fly to the sky
Away up high

(Bridge)

I'm not perfect,
But I have potential
You might think of me
as a wreck
Broken pieces shattered into the sea
But this sunken ship will rise again
Her sails will fill up with the wind

Are you sure you want to let me go?
If you let me go, I'll be gone forever

(Pre-Chorus)

Let me fly
We've always been good friends
So let me fly
To the sky, where the butterflies live
I know it's hard to change
when you just want to stay the same

(Partial Quiet Chorus)

When you see me
I'll be flying with the butterflies
Let me fly to the sky

(Last Chorus)

When you see me
I'll be flying with the butterflies
Let me fly to the sky
Away up high
When you see me
I'll be flying with the butterflies
Let me fly to the sky
Away up high
Let me fly
