Ford Foolery Candy for Sale!

The Face Reddening Head Blowing Chewy Taffy™ helps you get even with your enemies! It inflates their head 20 times its size and makes them turn flaming red! * The wrapper disguises itself as a Ford Universe White Milk Chocolate Bar™! The ingredients include the famous Helium Inflated Gum, Death by Chewing Fruit, and the 100° Flaming Fireballs! ** This product is available in 3 different flavors which include: Shattering Strawberry, Booming Blueberry, and Inflating Ice Apple!

*The effects will wear off within 5 weeks. There is no antidote to speed up the process.

**This candy is available at any store
